

# Some New Combinations in the Flora of Sikkim

R. C. Srivastava

Botanical Survey of India, Gangtok (Sikkim). Present address: Botanical Survey of India, Allahabad, 211002 India

**ABSTRACT.** Ten new combinations in the Flora of Sikkim are communicated.

For the preparation of a *Flora of Sikkim*, the following new combinations are necessary, based on study of the types at K and CAL, protogues, field observations in Sikkim, and the requirements of the *International Code of Botanical Nomenclature*.

1. **Calanthe alpina** Hooker f. var. **keshabii** (Lucksom) R. C. Srivastava, comb. et stat. nov. Basionym: *Calanthe keshabii* Lucksom, Ind. J. Forestry 15: 136. 1992.
2. **Erythrodes hirsuta** (Griffith) R. C. Srivastava, comb. nov. Basionym: *Goodyera hirsuta* Griffith, Not. Pl. Asiat. 2: 393. 1849. Ic.
3. **Carex alpina** var. **lehmanii** (Drejer) R. C. Srivastava, comb. et stat. nov. Basionym: *Carex lehmanii* Drejer, Symb. Caric. 13. t.2. 1844.
4. **Carex vesiculososa** var. **pallida** (Kuekenthal) R. C. Srivastava, comb. et stat. nov. Basionym: *Carex vesiculososa* var. *congesta* fo. *pallida* Kuekenthal, in Engler, Pflanzenr. 38: 238. 1894.
5. **Kobresia nepalensis** var. **stiebritziana** (Handel-Mazzetti) R. C. Srivastava, comb. et stat. nov. Basionym: *Kobresia stiebritziana* Handel-Mazzetti, Anz. Akad. Wiss. Wien, Math.-Naturwiss. Kl. 57: 54. 1920.
6. **Juncus concinnus** D. Don var. **gracilicaulis** (A. Camus) R. C. Srivastava, comb. et stat. nov. Basionym: *Juncus gracilicaulis* A. Camus, in Lecomte, Not. Syst. 1: 279. 1910.
7. **Leontopodium jacotianum** Beauvois var. **haastioides** (Handel-Mazzetti) R. C. Srivastava, comb. et stat. nov. Basionym: *Leontopodium haastioides* Handel-Mazzetti, Beih. Bot. Centralb. 44(2): 84. 1927.
8. **Melastoma malabathricum** L. var. **normale** (D. Don) R. C. Srivastava, comb. et stat. nov. Basionym: *Melastoma normale* D. Don, Prodr. Fl. Nep. 220. 1825.
9. **Oxalis leucolepis** var. **griffithii** (Edgeworth & Hooker f.) R. C. Srivastava, comb. et stat. nov. Basionym: *Oxalis griffithii* Edgeworth & Hooker f., Fl. Brit. India 1: 436. 1874.
10. **Salomonia edentula** (DC.) R. C. Srivastava, comb. nov. Basionym: *Polygala edentula* DC., Prodr. 1: 334. 1824.

*Acknowledgments.* The author is grateful to the Director, Botanical Survey of India, the Keeper, Royal Botanic Gardens, Kew, and the Keeper, Royal Botanic Garden, Edinburgh, for facilities, and to the Royal Society, London, and INSA, New Delhi, for sponsoring the author's visits to British herbaria. Thanks are also due to P. J. Cribb, D. Simpson, C. Jeffrey (K), and H. J. Noltie (E) for help during the author's visits to their herbaria.
